*Being a member is more valuable than ever!* This program is designed to benefit members in several ways, by first encouraging our members to buy from one another, to boost sales for our members, and also to create more visibility through our website for those participating in the program. Commerce Lexington member businesses and their employees are encouraged to patronize fellow members. There are over 1600 Commerce Lexington member companies representing over 100,000 employees. The result is significant purchasing power that can positively impact your business.

## Examples of savings with the M2M Program:

- Commerce Lexington HealthSolutions is a new industry & health insurance association exclusively for Commerce Lexington members with 2+ employees. With HealthSolutions, many Commerce Lexington members can save 5-20% on health insurance premiums.
- A typical order of office supplies, including copy paper, correction fluid, binders, staples, envelopes, file folders, toner, and binder clips that would normally cost \$397, would cost you \$278 with the Office Depot program. That is a **savings of \$119!**
