

WINNER'S 15 years CIRCLE

Message from the Winner's Circle Chair

"I was sorry to have missed last week's Mid-Campaign Luncheon. I hated to miss all the fun and celebrations of success. I want to thank past Winner's Circle Chair Ann Bakhaus for hosting the group at Kentucky Eagle, Inc. As always, Ann is such a gracious host and rolls out the red carpet for us.

If you remember from our last Reward Social at Dudley's, I challenged you all to dig deep and bring in \$70,000 in sales by our next event. Amazingly, you all not only met that challenge, but blew it out of the water by producing over \$115,000 in sales in just ten days to get us to 70-percent of our total production goal.

We have a new top team this week, as **Central Bank & Trust Co.** took over the top spot in total production. Other top producing teams to date include **Kentucky American Water/ Windstream Communications**, **Unified Trust**

Company, and the **Leadership Lexington Alumni team**. Our top individuals in between the Dudley's Reward Social and the Mid-Campaign Luncheon are **Maxine Lee** (CHASE/J.P. Morgan), **Mark Ruddell** (Central Bank), and **Cheryl Eadens** with Bluegrass Office Systems (Ambassadors team). We also celebrated four new trip qualifiers, so check the last page of this newsletter to see who is going. Additionally, we have two teams that have surpassed their production goals, including the **Leadership Lexington Alumni team** and **WesBanco**.

Since you all did so well with my last challenge, I have another one for you. Let's see if we can achieve \$60,000 in sales by our next event on October 11th. That will get us to 76-percent of our goal. Again, thank you for all that you do for Commerce Lexington Inc. and our community. It really makes a difference."
