Commerce Lexington Area Parking

Please do not park in the employee lot behind the building. These parking spots are designated for Commerce Lexington, Northwestern Mutual, and other employees of the businesses residing at 330 E Main Street and are monitored.

- There are 70+ parking meters within a two block radius of the Commerce Lexington building. The cost varies depending on the meter. See the legend to the left for more information on coordinating colors and meter rates.
- The parking garage behind PNC Bank across Main Street that sits on Deweese Street is available for parking as well (see map). The first hour is free and the fee is \$4 for any amount of time after that. (Note: Garage payment system is automated and only gives back quarters. No credit cards accepted.) See the link below for more information.
