Selection Criteria

The Leadership Central Kentucky Selection Committee seeks to identify those individuals most likely to utilize their regional leadership abilities for long-term benefit. Approximately twenty-five individuals will be selected to participate in the program.

Participants will be chosen by the Leadership Central Kentucky Selection Committee based upon the information completed on this application. The Committee will be seeking a diverse class (professionally, geographically and ethnically). Preference will be given to individuals who have successfully completed a local leadership program (e.g. Leadership Lexington, Leadership Madison County, Leadership Scott County, etc.). These leaders should be active in a variety of areas such as business, education, the arts, religion, government, community-based organization, and ethnic and minority groups and will reflect the diversity of the Bluegrass Region's communities.

Requirements

Attendance at the August 22 & 23, 2019 overnight Orientation is mandatory. Orientation is unique and requires a higher standard of attendance than regular program sessions. Any absence of any portion (greater than 30 minutes) of Orientation will result in such class member not being able to participate in the LCK program, subject to review of exigent circumstances.
