OFFICIAL TAMPA-ST. PETE LEADERSHIP VISIT NEWSLETTER | THURSDAY, MAY 12, 2022

Day Two Features Overview of St. Pete, MBD & Equity Initiatives, Placemaking & Elective Options

We hope you had a great time connecting with others and learning about the Tampa region yesterday. Thank you to Baird for sponsoring last night's Opening Night Reception right next to the beach.

Today, we'll focus our attention on St. Petersburg as hear about the One Community Plan and the Grow Smarter program, both of which address fair and equitable growth in St. Petersburg. Then, we'll get a look at how local officials are working on placemaking and planning for growth and what innovative strategies they are using to provide more housing opportunities for low and middle income families, jobs land for growth, and equity solutions.

The afternoon will allow participants some time to experience Tampa-St. Pete either on your own or through planned elective options. Be sure to post your photos to

social media using #tampastpete, so that people back home can get a sense of what you are experiencing.

Tonight, you won't want to miss the Bank Reception & Dinner, which has become a signature event supported by many of our area banks during the Leadership Visit. We'll be at The Urban Stillhouse by Horse Soldier, and we'll hear about the company's connection to Kentucky. Please take a moment to thank your banker for their support of this event.

Don't forget to turn in your completed Name Game card, once you have connected with the person listed on the card. Write "Found by" and your name on the back of the card, and give it to staff or drop it in the basket at the registration desk outside the meeting room before 8 a.m. on Friday morning to be entered to win some prizes.
