OFFICIAL LEADERSHIP VISIT NEWSLETTER

TUESDAY, MAY 8, 2018

Message From The CLX Board Chair

"I'm so excited that you've decided to join us for the 2018 Leadership Visit presented by Central Bank & Trust Co. These trips not only provide a great opportunity to interact with many key leaders in our community, but also to learn from the successes and challenges in other cities.

We'll begin the day in Boise with a session we've entitled 'Imagine If...,' during which you will be asked to **IMAGINE** the best version of Lexington. If there were no limitations, restrictions or boundaries, what ideas would you have that would change Lexington for the better? Table leaders will help your group identify the common themes and write your 'Imagine If...' story for Lexington.

Then, over the course of the few days, we hope you will be **INSPIRED** by what you see, hear and experience. Finally, during our closing session on Thursday, we'll enjoy a creative summary of the stories you come up with today, and we'll

also hear a report on what has inspired you throughout the trip from our four 'correspondents' that include **Amanda Mays Bledsoe** (Lexington Councilmember), **Lisa Deaton Greer** (UK HealthCare), **Danny Murphy** (UK College of Law), and **Malcolm Ratchford** (Community Action Council).

These people will help us become **IGNITED** to take action by reporting out the ideas and thoughts from their observations of Boise and the conversations with many of you during the trip. If you have an idea or something that you want noted, see one of these

individuals. You can also list your ideas in your 'Imagine If...' Brainstorming Guide on the plane or log your ideas through our mobile audience engagement tool called **SLIDO**, following the instructions outlined in your briefing book.

I'm looking forward to a great trip and interacting with many of you in Boise!"
